Application for Low Cost Rental of a MusicAlliance-owned Instrument for Beginning Band Members

Thanks to a generous grant from the D'Addario Foundation, MusicAlliance has purchased band instruments that may be rented for \$70 for the school year or \$35 a semester (paid in September and January).

Priority will be given to:

- families whose child(ren) qualify for the federal free lunch or reduced lunch program
- those who have lost their job (including layoffs) or have major medical expenses
- those families that have more than one child in the band program
- those families that have multiple children enrolled in tuition-based schools

MusicAlliance has a limited number of flutes, clarinets, alto saxophones, trumpets, trombones, french horns, bells, and snare drums. To be considered, please fill out the bottom part of this form completely. Applications will be considered based on need, and for those selected the student must remain in good standing in the band at their school, attend band rehearsals and lessons on a regular basis, and practice the instrument at home.

The application must be received by MusicAlliance by September 16th, 2011 in order to be considered.

If you are selected, an instrument contract will be included with the instrument that you will need to fill out and return (along with the rental fee) to the MusicAlliance office within 7 days of receiving the instrument.

Parent Name _____

Mailing Address _____ Phone _____

Child's name _____ Grade _____ School Name _____

Instrument needed _____

Please explain the financial circumstances of why you are applying for the low cost instrument rental program. Describe in as much detail as you feel comfortable. (Please type this information if possible.)

May we verify this information with your parish priest/pastor or school principal? ___ YES ___ NO*

**If not, please send supporting documents with this application, or let us know who we can contact to verify the information (that is not a family member). If you include financial data, please remove any personal data such as Social Security numbers.*
