## Application for Low Cost Rental of a MusicAlliance-owned Instrument

Thanks to a generous grant from the D'Addario Foundation, MusicAlliance has purchased band instruments that may be rented for \$70 for the school year or \$35 a semester (due in September and January).

Priority will be given to:

- families whose child(ren) qualify for the federal free lunch or reduced lunch program
- those who have lost their job or who have major medical expenses
- those families that have more than one child in the band program
- those families that have multiple children enrolled in tuition-based schools

MusicAlliance has a limited number of flutes, clarinets, alto saxophones, trumpets, trombones, french horns, and snare drum kits. You will need to fill out the bottom part of this form completely to be considered. Applications will be considered based on need, and for those selected, the student must remain in good standing in the band program, attend band rehearsals and lessons on a regular basis, and practice the instrument at home.

*\*This application should be submitted to MusicAlliance by October 15, 2009 in order to receive first consideration.\**
