Band Concert Program Advertising Information

MusicAlliance is a non-profit 501c3 organization that provides quality instrumental music education programs for nearly a thousand 4th - 8th grade students from private and parochial schools throughout Northeast Ohio. Our programs are operated *without* school, state, or federal funding. Currently our primary source of operating funds is the band tuition paid by the parents of the children in the band programs. However, our goal is for all interested students to have the opportunity to gain the lifelong benefits that come from the study of a musical instrument through an organized school band curriculum regardless of their ability to pay.

We have initiated the sale of advertising space that will be included with the band concert programs for all 28 schools that we serve in Northeast Ohio. The revenue generated from the selling of advertising space will be used to help defray expenses and to keep the cost of participating in band affordable for our students and their families. We need your help as an advertiser for our school band concert programs. Your ad or coupon will appear for 1 year with both the Winter and Spring Concert Programs for all 28 schools that we serve and with our honors band concert programs.

We offer 3 types of ads: a text-only \$100 ad which can include your business name/service, address, phone number, website address, & email address; a \$200 graphic business card sized ad (approximately 1.5 in. high by 2.5 in. wide) with your contact information printed beneath it; and a \$350 "double-sized" graphic ad (approximately 3 in. by 5 in.) with your contact information printed beneath it.

Below are actual examples of \$200 ads as they appeared with our Eastside Summer Honors Band concert program.
